

If the current race were to continue from this point randomly 1000 times, how often would your car come in first? (out of 1000 times)

0 100 200 300 400 500 600 700 800 900 1000

How confident are you that your guess is roughly right? (out of 100 %)

0 10 20 30 40 50 60 70 80 90 100

Events:	your car wins	your car does not win	<input type="checkbox"/> DROP OUT here	Pitstop 2/3	Pitstop 3/3
Payoffs:	\$ 29.82	\$ 0.00	\$ 2.39	\$ 1.49	\$ 0.60
